Tracy Avenue Reconstruction

Dear Resident:

Stages 1 and 2

The concrete work has been delayed until Wednesday, Sept. 7, due to contractor availability. The contractor will place curbs and gutters beginning Wednesday. At that time, access to and from Tracy Avenue from Hillside Road, Arbour Lane, Ridgeway Road and Highland Road will be prohibited to allow the concrete bike lane to cure and gain the appropriate strength. Please use alternate routes during this time.

Residents with access directly on Tracy Avenue will be given notifications a minimum of 24 hours prior to the concrete work to allow them to move their vehicles to an alternate location.

Access to Colonial Way

Residents and visitors of The Waters and Colonial Church are encouraged to use the posted detour and access Colonial Way via Olinger Boulevard or Olinger Road instead of driving through the construction zone. This will help ensure the safety of workers as well as the travelling public.

Detour

A posted detour will be in place to route traffic around the construction area. Detour routes are Highway 62, Gleason Road and Vernon Avenue.

Communications:

- Have questions or comments regarding this project? Call me at 763-287-7149 or aplowman@wsbeng.com or project inspector Kevin Overby at 612-360-1308.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/tracyavenue.

Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
